"CompuChild Enrichment" is an organization dedicated to spreading "STEM, STEAM, and Entrepreneurial" education among children all over the world.

✓ Gamified learning of coding through simulated drone missions

✓ Focus on logic, understanding of drones, and their applications

✓ Project-based, hands-on, Interactive, and fun classes

✓ Created by PhDs, EdDs, and seasoned educators

✓ We bring computers to the class for student groups

✓ No additional materials fee charged

✓ One of the only two 'STEM certified' quality curricula in the country
