“CompuChild Enrichment” is an organization dedicated to spreading “STEM, STEAM, and Entrepreneurial” education among children all over the world.

- ✓ Children build and program models that move and make sounds
- ✓ They learn about machines such as motors, gears, pulleys, etc.
- ✓ One of the only two ‘STEM certified’ curricula in the country
- ✓ Project-based, hands-on, Interactive, and fun classes
- ✓ We bring robotic kits, tablets, and other teaching materials to class
- ✓ No additional materials fee charged
- ✓ Created by PhDs, EdDs, and seasoned educators
